Information

This competition is intended to assist researchers at the Johns Hopkins University. This grant is limited to a one-time, single order of NanoString products that must be placed by Friday, August 31, 2012. If the order amount is greater than $10,000, a one-time discount of $10,000 will be applied to the purchase order and the winner will be responsible for the remaining balance. If the order is less than $10,000, the order will be complimentary and all unused amount will be voided. NanoString reserves the right to discontinue this program at any time without notice.
